Contents

Abstract

Write your abstract here. Provide a high-level summary of the document and the system it covers.

Key features include:

- **Feature A:** Description of feature A.
- **Feature B:** Description of feature B.
- **Feature C:** Description of feature C.

1 Introduction

1.1 Overview

Write your introduction here.

Note

This is a **note box**. Use it to highlight supplementary information.

Warning

This is a **warning box**. Use it to caution the reader about potential issues.

Security

This is a **security/alert box**. Use it for critical security notices.

1.2 Design Goals

1. **Goal 1:** Describe the first design goal.
2. **Goal 2:** Describe the second design goal.

2 Architecture Overview

2.1 System Architecture

Describe the system architecture here. You can include a TikZ diagram below:

Figure 1: System Architecture Diagram

2.2 Component Table

Component	Description
component_a.c	Description of component A.
component_b.c	Description of component B.

Table 2: Component Overview

3 Specification

3.1 Format Overview

Describe the data format or protocol specification here.

Field A	Field B	Field C	CRC
4 bytes	2 bytes	N bytes	2 bytes

3.2 Field Descriptions

Field A
Description of Field A.

Field B
Description of Field B.

Field C
Description of Field C (variable length).

4 Code Examples

4.1 Example Code

```
1 #include <stdint.h>
2 #include <stdbool.h>
3
4 typedef struct {
5     uint8_t  field_a;
6     uint16_t field_b;
7     uint32_t field_c;
8 } my_struct_t;
9
10 int my_function(my_struct_t *s) {
11     if (s == NULL) return -1;
12     s->field_a = 0x01;
13     s->field_b = 0xABCD;
14     return 0;
15 }
```

Listing 1: Example C code snippet

5 Performance

Metric	Baseline	Optimized	Improvement
Metric A	100 ms	50 ms	2× faster
Metric B	200 kB	40 kB	80% reduction

Table 3: Performance Summary

6 Security Considerations

Security

Describe any security considerations, threat models, or warnings relevant to your project here.

6.1 Threat Model

Describe the threat model here.

6.2 Mitigations

- **Mitigation 1:** Description.
- **Mitigation 2:** Description.

A Appendix A: Glossary

Term 1

Definition of term 1.

Term 2

Definition of term 2.

B Appendix B: References

- Reference 1
- Reference 2
